

## Westy Rabbitry Sales Policy

This Sales Policy will be available to each new owner and there is no other expressed or implied warranty included with the sale(s) of Westy Rabbitry rabbits. Westy Rabbitry reserves the right to refuse a sale to anyone at any time, if they decide it in the best interest of their rabbit or rabbitry. We have the right to cancel a sale at any time until the rabbit has been picked up. All sales are final, and we cannot refund money. It is at our own discretion if and when we would take back a rabbit for any reason.

### Health

All Westy Rabbitry rabbits will be healthy to the best of our knowledge at the time of sale. A complete inspection may be done at the time of the exchange and if anything is of question, the sale may be cancelled and refund given prior to the rabbit leaving the presence of Westy Rabbitry.

Westy Rabbitry will not sell any rabbit showing outward signs of infection, sore hocks, snuffles or any other visible illness.

Westy Rabbitry rabbits are handled on a daily basis. As such all of our rabbits have good temperament. We will not sell any animal that shows signs of aggression or biting.

### Quality

Pet – These rabbits are being sold as pets only and they may or may not meet the standard for the specific breed. They may have genetic defects that would not be beneficial in a breeding program. These defects may included, but are not limited to - a discolored toenail or not enough coloring or their color is simply not recognized in the standard. Pet quality may also suggest that the buyer only wanted a pet and as such, the rabbit will not be sold with a pedigree. Pet quality rabbits may include a birth certificate upon request. Because pet quality rabbit pedigrees are not available, their prices reflects this and breeding is not encouraged.

Show – These rabbits, at the time of sale, meet the standard set forth for the breed by the ARBA. Although every attempt will be made to ensure these rabbits are free from disqualifications, Westy Rabbitry is not responsible for undiscovered disqualifications that may appear, or be acquired, after a rabbit is sold. Additionally, we do not guarantee a rabbit's breeding or showing success. It is highly recommended that the buyer inspect the rabbit prior to the purchase. All Show quality rabbits will be sold with a 3 generation pedigree, Grand Champion Certificates, registration papers and/or GC legs that they have acquired, if applicable.

Brood – These rabbits are listed as having qualities that would be useful in a breeding program. Perhaps they lost a toenail or have some other non-genetic defect. Or they were previously shown and are now ready to retire and make babies. All Brood quality rabbits will be sold with a 3 generation pedigree, upon request.

## Sales

Please keep in mind that **we NO longer sell our does bred or offer stud service under ANY circumstances.**

Discounts may be available for purchasing three or more rabbits, depending on the rabbits being sold. You may contact us at any time on our facebook or website to answer questions you may have about your new addition.

## Transition food

Westy Rabbitry currently feeds Manna Pro brand rabbit feed. It is best to slowly wean your new rabbit from our feed onto your own choice of feed. You should do this gradually over the course of a week or two in order to ensure that your rabbit does not develop any intestinal issues.

Occasionally we will offer treats to our rabbits like: dandelion greens, kale, green leaf lettuce, oats, strawberry leaves, pumpkin seeds, etc. This is done only a few times a month or less as it is not necessary for a well-balanced diet and your rabbit's main source of nutrition should come from hay and pellets.

## Payment

Westy Rabbitry currently accepts Cash, PayPal, and Cashier's Checks only. When using PayPal, the buyer is responsible for paying any associated **PayPal service fees**, if applicable. All sales are final after full payment has been received in hand.

## Shipping

Westy Rabbitry does not ship internationally.

It is the buyer's responsibility to arrange and provide transportation for the rabbits that they purchase. Westy Rabbitry will assist as much as possible, but will not be held liable for transportation scheduling or costs. Once an animal leaves Westy Rabbitry, we are no longer responsible for it.

This policy ensures the safety of our rabbits and allows for our rabbitry to continue to sell our rabbits. If you do not agree with the terms of this sales policy, no sale will be made. **It is assumed that you have read the Sales Policy once you inquire about a rabbit and a copy of it will be given to you at the time of sale.**

Westy Rabbitry reserves the right to modify or change this Sales Policy at any time.
